IN COLLABORATION WITH THE NATIONAL MENTAL HEALTH PROGRAM AT THE
MINISTRY OF PUBLIC HEALTH

MONTHLY EMBRACE LIFELINE INDICATORS

REPORT DATE:

JUNE 2019

Introduction

Embrace Lifeline is the national helpline in Lebanon for emotional support and suicide prevention. As part of its mission, and in collaboration with the National Mental Health Program of the Ministry of Public Health (MOPH), Embrace Lifeline keeps track of its provided services both for quality assurance purposes and to report on the impact, quality, and frequency of use of its services. The below numbers are meant to offer a snapshot of the population that the Embrace Lifeline serves, taking into consideration that this information is recorded as accurately as possible while not all information may be available at all times. The metrics in this document can be considered representative of calls received during the reported time-period.
